

Student Fund-Raising Activities

Students, with the permission of the principal and under the direct supervision of their advisors, may carry out fund-raising activities, including online crowd funding, in which no outside fund-raising agency or contract is concerned. Where funds are to be raised through an outside agency or contracted activity, the activity must receive prior approval by the superintendent or designee. Activities concerned with fund raising for charitable or other causes not relating to school activities must obtain prior approval from the principal or the superintendent.

If fund raising consists of selling food and beverage items to students during the regular or extended school day, the food and beverage items must comply with state and federal nutrition standards, rules and laws. This does not apply to food and beverage items sold at school-related or nonschool-related events for which parents and other adults are a significant part of the audience.
