## High School Classes/Courses for Middle School Students

The district encourages students to perform at the highest level possible in their course work. Recognizing that some middle school students' needs would be best met with an opportunity to participate in high school courses, it is the policy of the district to allow middle school students, who qualify, to take designated high school classes/courses.

High school credit may be granted if students taking pre-grade 9 courses are required to meet performance criteria that are equivalent to the performance criteria for students taking the same high school classes.
