Student Conduct

The Board expects student conduct to contribute to a productive learning climate. Students shall comply with the district's written rules, pursue the prescribed course of study, submit to the lawful authority of district staff and conduct themselves in an orderly manner at school during the school day or during school-sponsored activities. This conduct applies to students enroute to and from school and school-sponsored activities.

Careful attention shall be given to the procedures and methods whereby fairness and consistency in discipline shall be assured each student.

The Board shall adopt and attempt to give the widest possible distribution of copies of reasonable written rules regarding student conduct, discipline, rights and procedures pertaining thereto, including consequences for disorderly conduct, as required by the No Child Left Behind Act of 2001. Such rules must comply with the minimum standards promulgated by the State Board of Education.

Students in violation of Board policy, administrative regulation and/or code of conduct provisions will be subject to discipline up to and including expulsion. Students may be denied participation in extracurricular activities. Titles and/or privileges available to or granted to students may also be denied and/or revoked (e.g., valedictorian, salutatorian, student body, class or club office positions, senior trip, prom, etc.). A referral to law enforcement may also be made.

The district will annually record and report expulsion data for conduct violations as required by the Oregon Department of Education.
