Visitors to District Facilities**

The Board welcomes parents and other district citizens to visit the schools and classrooms to observe the work of students, staff and student performances.

To assure that only authorized persons enter a school, all visitors shall report to the school office when entering and will receive authorization prior to visiting elsewhere in the building. Authorized persons are welcome to visit class activities. It is expected that visitors not interrupt or disturb the learning process.

Any unauthorized person on school property will be reported to the school office, principal or superintendent. Disruptive persons may be asked to leave and police may be called if the situation warrants such measures.

Students will not be permitted to bring visitors to school without prior approval of the principal and in accordance with building procedures.
