Orig. Code(s): 9220

Student Government

The Board recognizes and approves student organizations as part of the educational process. These must be established in accordance with the students' level of maturity.

Student organizations shall be "of students, by students, and for students." Student councils shall represent all students in organizing student activities and communicating with the school administrator.

The principal shall ensure that each student organization has an assigned advisor and adequate supervision.

Secret organizations of students are prohibited by law.
