Care of District Property by Students**

It is each student's responsibility to show respect for all school property. Any student who willfully damages or defaces district property will be disciplined and charged restitution for costs related to his/her acts.

The Board declares its intent to hold students and their parents responsible for the full costs of restitution including prosecution to the full extent of the law if such costs are not paid.

When, in the judgment of the principal, the damage or destruction is not willful but accidental, the district may share the cost of repair on such a basis as determined by the principal and superintendent.

Principals and other personnel are responsible for the action of their students whenever they are considered representatives of their school or district.

Notice of the district's intent to seek full restitution will be provided annually in the student/parent handbook as required by law.
