School District**

Code: **LHC**
Adopted: 9/09/15

School Based Health Center

The Board recognizes the many positive benefits afforded to district students and their families by locating a health center on district property.

The Health Center operates independently from the district and the Health Center's operations on district property shall be governed by a memorandum of understanding executed by the district and a federally qualified health center (FQHC). The Memorandum of Understanding governs all aspects of the operation of the Health Center and the respective rights, duties and responsibilities of the FQHC with regard to the operation of the Health Center.
