Adoption and Revision of Policies and Bylaws

Adoption and Amendment of Policies

Board policies will be subject to alteration, addition or deletion only upon majority vote of the Board at any regular or special meeting in which all members have been notified in writing of the proposed alteration, addition or deletion at least 24 hours in advance. In most cases, a first reading of the policy will be scheduled on a regular meeting agenda prior to its adoption at a subsequent regular or special meeting.

A proposed change in policy will not be made at the meeting in which the change is proposed unless by majority vote of the Board.

The formal adoption of policies will be recorded in the Board minutes. Only those written statements so adopted and so recorded will be regarded as official Board policy.

When additions, deletions or amendments are made to Board policy, the addition, deletion or amendment will carry the adoption date and the corrected copy will be published at the earliest opportunity.

The operation of any individual policy, section or sections of policies not established by law or specifically listed in the current collective bargaining agreement may be temporarily suspended by a majority vote of the Board at a regular or special meeting.

The policy manual will be reviewed to keep it current.

Adoption and Amendment of Bylaws

Proposed new bylaws and suggested amendments to or revisions of existing bylaws may be adopted by majority vote of ALL members of the Board during the second of two regularly scheduled meetings of the Board, not less than four weeks apart, in the calls for which meeting the proposed additions, amendments or revision shall have been described in writing.

Prior to submission of the proposed new or amended bylaws to the Board, the secretary or clerk of the Board shall provide for public notice of the scheduling of the first reading of the proposals at least two weeks prior to that meeting.
