Code: **JFCH/JFCI**  
Adopted: 1/01

Orig. Code(s): 5242

## Use of Alcohol or Drugs \*\*

The Board recognizes its share of the responsibility for the health, welfare and safety of the students who attend the district's schools. The Board is concerned about the community problem of alcohol and drug abuse and further recognizes that the illegal or inappropriate use of alcohol, narcotic drugs, depressants and other controlled substances constitutes a hazard to the positive development of students.

Therefore, the Board emphasizes the following:

1. A student is required to obey the same laws on school grounds and off. School authorities have the same responsibility as every other citizen to report violations of the law. The final disposition of any problem will be determined by the principal with due consideration of the welfare of the student and of any other relevant factors involved;
2. Discipline will be imposed independently of court action. Students may be subject to immediate suspension or expulsion for possession or use of illegal drugs and alcoholic beverages, but the suspension or expulsion allows for hearing and review in the same manner as suspension or expulsion for any other reason;
3. If the situation warrants, the principal should communicate all available information promptly to the police and offer full cooperation of the administration and faculty in a police investigation.
