

Imbler School District 11

Code: **JHFD**
Adopted: 3/11/97
Readopted: 5/20/14
Orig. Code(s): 5210; 5211

Student Vehicle Use

All students who drive vehicles to school are subject to parking and driving rules developed by the district.

The district may require all students parking vehicles on district property on a regular basis to show evidence:

1. That the student driving the vehicle holds a valid driver's license;
2. That the vehicle is currently registered;
3. That the student driving is insured under a motor vehicle liability insurance policy or other satisfactory proof of compliance with the financial responsibility requirements of the state.

Parking privileges will be subject to the specific requirements of this policy and any other applicable policy and/or rules of the district.

The district will post appropriate parking signs.

Certain school regulations are necessary because of insufficient parking and dangerous traffic patterns. Also, it is the desire of many parents to have the school know the whereabouts of their children during the day.

1. Permission to drive a vehicle onto school premises may be revoked at any time by the school administration.
 - a. When there is a possibility that the safety of any students or property could be endangered.
 - b. As part of a disciplinary measure for any misconduct (not necessarily involving the student's vehicle.)
2. Any licensed driver may drive a vehicle onto the school premises under the following conditions:
 - a. No student vehicles will be permitted to leave the school grounds during the hours in which school is in session without permission of the school administration;
 - b. School rules and local and state traffic laws must be followed when operating vehicles on school premises.
