Visitors to District Facilities**

To help protect student and school property and to prevent disruptive activity, school officials must know if any persons who are not members of the staff or student body are inside the building or on the grounds.

Visitors are permitted on school premises so long as their presence is for constructive, not disruptive, purposes and school officials are aware of their visit.

Visitors in the school building during a normal school day shall first come to the main office and arrange to conduct their business.

No individual may loiter in or near a school building or grounds. Loitering means not having any reason or relationship involving custody of or responsibility for a student, or upon inquiry, not having a specific, legitimate reason for being there.

Any unauthorized person on school property will be reported to the principal or superintendent. The person may be asked to leave. Law enforcement may be called if the situation warrants such measures.
