

InterMountain Education Service District

Code: **BF**
Adopted: 1/19/11

Policy Development

The ESD shall be governed by a set of written policies. These policies, combined with Administrative Rules for implementation, shall be available to staff and to the public, and to Oregon Department of Education personnel upon request.

The policies shall be consistent with Oregon Revised Statutes, Oregon Administrative Rules and all federal laws and regulations.

The basic responsibility for initiating, reviewing and recommending new policies or policy modification will rest with the superintendent; however, new policies or changes in existing policy may be proposed by any Board member, group or organization, staff member, parent, student or other member of the ESD. The superintendent, in developing these policies, may be guided by the recommendations of the staff and may seek input from component school district staff or district patrons during the preparation and subsequent review of policy statements. Advice from legal counsel may be appropriate.

The superintendent will furnish necessary background information and make all final policy recommendations to the Board
