

InterMountain Education Service District

Code: **CB**
Adopted: 1/19/11

Superintendent

The Board shall employ a superintendent who will serve as the ESD's chief executive officer. The superintendent must at all times have a valid and appropriate license, as defined in the Oregon Revised Statutes and the Teacher Standards and Practices Commission Rules for Licensure, to act as superintendent in the state of Oregon as directed by the Board.

The superintendent is responsible for managing the district under the Board's policies and is accountable to the Board for that management.

The superintendent may delegate to other ESD personnel any powers and duties imposed upon the superintendent by Board policies or by vote of the Board. Delegation of power or duty, however, will not relieve the superintendent of responsibility for action taken under such delegation
