

InterMountain Education Service District

Code: **EIA**
Adopted: 1/19/11

Insurance Programs

The ESD shall provide insurance protection for ESD properties, services, financial operation, and for actions of the Board, Board members, ESD employees and others acting under direction for and by the ESD in the performance of their legal and assigned duties.

1. The superintendent shall annually review the insurance needs of the ESD. An annual report to include recommendations for changes, assessment of the prior year's experience, and current trends shall be made to the Board. The adequacy of the ESD's insurance program shall be measured according to available coverage, service and cost.
2. The Board shall retain an agent of record for casualty and property insurance. The agent will be responsible for assisting the ESD administration with the development of a sound insurance program and for writing and servicing all necessary insurance policies and statutory bonds.
