

Military Leave of Absence

The ESD will grant military leave to employees on duty with a uniformed service in accordance with applicable state and federal law. Employees requesting military leave are required to provide written notice as soon as practicable following notification of military call up or reservist duty, unless precluded by military necessity.

Military leave exceeding 15 days is unpaid leave. Employees may use any accrued vacation or similar leave during the period of service exceeding 15 days.

While on military leave, the employee will receive the same benefits as other employees on leave, as well as the following:

1. The employee may continue enrollment in the ESD's health insurance plan. During the first 18 months of leave, the employee may be required to pay any employee contribution required of other employees on a leave of absence. If the leave extends beyond 18 months, the employee will be required to pay not more than 102 percent of the full premium;
2. Upon return from military service, the ESD will give retroactive employer contributions to the Public Employees Retirement System on the same basis as if the employee had not left, provided the employee was an enrolled member at the time of the leave. The employee may repay any required employee contributions over a period of three times the military service leave period or five years, whichever is less.

An employee on duty with a uniformed service is entitled to reemployment for a maximum of five years, unless retained on active duty because of war or national emergency. An individual returning from military leave shall notify the ESD of his/her intent to return as follows:

1. Employees who are veterans and reservists returning from training must only inform the ESD of their training obligations and report back at the next regularly scheduled working period;
2. Employees returning from active duty must notify the ESD of their intention to return to their former jobs within 90 days of release from duty.

An individual reemployed under this policy is entitled to the seniority and other currently existing rights and benefits the individual had when service started, plus the additional seniority and similar rights and benefits that would have been accrued if employment had been continuous.

This policy does not apply if the employee has been separated from service with a dishonorable or bad conduct discharge or under other than honorable conditions.
