

InterMountain Education Service District

Code: **IFD**
Adopted: 1/19/11

Curriculum Adoption

The ESD, cooperatively with local district staff and with advisory groups, shall regularly seek to determine the effectiveness of educational programs. All programs shall be subject to systematic review for the purpose of assessing their quality in terms of stated objectives.

ESD and LEA professional staff shall be responsible for documenting and reporting needs of program improvement, staff development, program expansion, reduction, or elimination.

Program renewal shall be based on an evaluation by professional staff or by an approved consultant. Local districts shall indicate approval as indicated in Board policy IF - Instructional Program Development.

Advisory committees, consisting of professional educators and/or community members, shall be used to assist in program development and evaluation activities.

ESD and LEA administrative staff shall determine which program needs have highest priority, and the decision, based on documentation, shall affect program development or reconstruction.
