Volunteers

Citizens who voluntarily contribute their time and talents to the improvement and enrichment of ESD programs and services are valuable assets. Volunteer services performed outside regular hours must be under the direction and supervision of ESD personnel.

The administration is responsible for the recruitment, use, coordination and training of volunteers. These assignments will be carried out as directed or delegated by the superintendent. Every effort should be made to use volunteer resources in a manner which will ensure maximum contribution to the safety, welfare and educational growth of students.

Oregon criminal records checks will be conducted on volunteers.
