“Drug paraphernalia” means all equipment, products and materials of any kind which are marketed for the use or designed for the use in manufacturing, compounding, producing, processing, preparing, analyzing, packaging, storing, containing, concealing, injecting, ingesting, inhaling or otherwise inducing a controlled substance or intoxicant into the human body.

If possession or use occurred on district grounds or while participating in ESD-sponsored programs or activities, students will be subject to discipline up to and including expulsion. If possession or use occurred near district grounds, disciplinary action may include removal from any or all extracurricular activities and forfeiture of any school honors or privileges. Appropriate health and law enforcement agencies may be involved in at least a consultative and investigative capacity. Parents will be notified.
