Instructional Design

The district curriculum is designed to provide students with a range of preparation in academic areas as well as in developing values and behaviors in interpersonal relations, exploring leisure-time activities, community service, preparing for the work force and acquiring the broad spectrum of skills necessary for success in life.

This instructional design encompasses the “Goals for Elementary and Secondary Education” as defined by OAR 581-022-1020. These goals identify what will prepare students to function effectively in a rapidly changing world.
