Graduation Exercises

Because the Board believes that completion of the requirements for a diploma, a modified diploma, an extended diploma or an alternative certificate from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize the achievement in a publicly celebrated graduation exercise.

All students must have successfully completed the requirements for a senior high school diploma, a modified diploma, an extended diploma or an alternative certificate, and be in good standing to participate in graduation exercise as determined by the superintendent/principal.

Students who have completed an Individual Education Program (IEP), but have not completed all requirements for a diploma may participate in the ceremony.
