Programs and Services - Talented and Gifted**

A district written plan will be developed for programs and services. All required written course statements shall identify the academic instructional programs and services to be provided which address the assessed levels and accelerated rates of learning in identified talented and gifted students. The superintendent will remove any administrative barriers that may exist which restrict students' access to appropriate services and will develop program and service options. These options may include, but are not limited to, the following:

- Early Entrance
- Cluster Grouping in Regular Classes
- Continuous Progress
- Cross Grade Grouping
- Compacted/Fast-Paced Curriculum
- Special Full- or Part-time Classes
- Advanced Placement Classes
- Honors Classes
- Block Classes
- Independent Study
- Credit by Examination
- Concurrent Enrollment
- Mentorship/Internship
- Academic Competitions
