Orig. Code(s): 8110; 8120

**Community Use of District Facilities/Equipment**

School facilities/equipment may be made available, under responsible adult supervision, for community activities of an educational, recreational or civic nature. It is the desire of the Board that use be made of school buildings and/or grounds for civic and recreational purposes.

The Board reserves the right to grant permission for building or equipment use, acting through its administrative staff, and to deny building or equipment use at its discretion. The administrative staff is also authorized to cancel building use permits when such action is necessary in the best interests of the district.
