Bidding Requirements

The Board is the Local Contract Review Board (LCRB) for the district. All public contracts shall be invited in accordance with applicable competitive procurement provisions of Oregon Revised Statutes and adopted public contracting rules.

The Board, acting as its own LCRB, adopts¹ the Oregon Attorney General's Model Public Contract Rules, OAR Chapter 137, Divisions 046 through 049 its own rules of procedure that will govern district purchasing. Consequently, the model rules adopted by the Attorney General shall not apply to the district. The district's rules may include portions of the Oregon Attorney General's Model Public Contract Rules OAR Chapter 137, Divisions 046 through 049 in effect at the time this policy is adopted.

Where necessary, the Board has made the written findings required by law for exemptions from competitive bidding. Such findings shall be maintained by the district and made available on request.

The district shall review its rules each time the Attorney General adopts a modification of the model rules, as required by ORS 279A.065 (5)(b), to determine whether any modifications need to be made to district rules to ensure compliance with statutory changes. New rules, as necessary, shall be adopted by the Board. In the event it is unnecessary to adopt new rules, Board minutes will reflect that the review process was completed as required.

Procurements estimated to be in excess of \$250,000 shall go through the cost analysis and feasibility process described in ORS 279B. Procurements for the district non-profit food service account are processed in accordance with the Code for Federal Regulations and standards identified in the child nutrition program's procurement plan provided by the Oregon Department of Education and adopted as administrative rule to DJC - AR(2).
