Readopted: 9/10/07
Orig. Code(s): 5800

Emergency Closures

The administrator will be alert to emergency or other conditions that may arise and will advise the Board when school closure is indicated.

The administrator will order the closure of schools or the delay in their opening when weather conditions are such that district buses would encounter hazardous conditions, or when the school heating or other maintenance systems malfunction. Every effort will be made to correct physical problems or to otherwise anticipate changed conditions such that schools may reopen.
