

Volunteers

Community patrons who voluntarily contribute their time and talents to the improvement and enrichment of the public schools' instructional and other programs are valuable assets. The Board encourages constructive participation of groups and individuals in the school to perform appropriate tasks during and after school hours under the direction and supervision of professional personnel.

Any person authorized by the district for volunteer service into a position that will have direct, unsupervised contact with students shall be required to undergo an Oregon criminal records check. Any volunteer allowed to have direct, unsupervised contact with students, in a position identified by the district as requiring fingerprinting, shall be required to undergo a nationwide criminal records check and fingerprinting (See Board policy GCDA/GDDA - Criminal Records Checks and Fingerprinting and its administrative regulation). Any person authorized by the district for volunteer service that will not likely have direct, unsupervised contact with students will be required to undergo an Oregon criminal records check. Rechecks are required every two years.

Any volunteer who knowingly makes a false statement, as determined by the district, on a district volunteer application form will be denied the ability to volunteer in the district.

Nonexempt employees¹ may be permitted to volunteer to perform services for the district provided the volunteer activities do not involve the same or similar type of services² as the employee's regularly assigned duties. In the event a nonexempt employee volunteers to perform services for the district that are the same or similar as the employee's regularly assigned duties, the Board recognizes that under the Fair Labor Standards Act (FLSA), overtime or compensatory time must be provided.

The administration is responsible for the recruitment, use, coordination and training of volunteers. Every effort should be made to use volunteer resources in a manner which will ensure maximum contribution to the welfare and educational growth of students.

END OF POLICY

¹There are three types of FLSA exemptions: those for executive, administrative and professional employees. Generally, employees who are exempt under the executive, administrative or professional exceptions must primarily perform executive, administrative or professional duties at least 50 percent of the employee's time.

²Instructional assistant duties are generally viewed to be the same type of service, supervising and instructing students, as coaching.
