Early Graduation

It is the intention of the Board to meet individual student needs. Some students may benefit by early graduation. The Board will allow early completion of the graduation requirements.

A student may satisfy graduation requirements in less than four years. The district will award a diploma to a student fulfilling graduation requirements in less than four years upon the student's request and if the student's parent or guardian consents, if required.

The superintendent will establish procedures to allow for early graduation.

Early graduation will be allowed only after state and district requirements, other than semesters of attendance, have been satisfied.
