

### **Post-Graduate Scholar Program**

(If the district offers this program, this policy is required.)

In addition to meeting all of the standard diploma requirements, students may apply for the Post-graduate Scholar Program as a dual enrollment program with Central Oregon Community College: Twelve additional high school credits (minimum of 27 and maximum of 36 Central Oregon Community College credits) earned in a planned educational program at Central Oregon Community College during the student's fifth year.

The district will provide a Post-Graduate Scholar program for students in the district. A "post-graduate scholar" means a student who has:

1. Been in grades 9 through 12 for more than a total of four school years; and
2. Satisfied the requirements for a high school diploma or modified diploma as provided by law.

The Post-Graduate Scholar program may allow qualified post-graduate scholars to:

1. Enroll in courses at a community college that are part of an approved course of study in the post-graduate scholar program in the district, in order to gain a certificate or diploma;
2. Enroll in the approved program courses of study for one school year after the post-graduate scholar has satisfied the requirements for a high school diploma or a modified diploma in the district; and
3. Have the district pay the costs for such approved course of study, including tuition, fees and books.

#### **Program Qualifications**

A post-graduate scholar qualifies to participate in the program if the post-graduate scholar:

1. Has completed and submitted the Free Application for Federal Student Aid, if eligible to file the application;
2. Is not eligible for a grant under the Oregon Promise Program because of failure to earn the minimum cumulative grade point average, or submitted a complete application for a grant under the Oregon Promise program by the established deadline but did not receive a grant;
3. Is not eligible for a federal aid grant that is equal to or more than the average cost of tuition and fees at a community college, as determined by the U.S. Department of Education after Consultation with the Executive Director of the Office of Student Access and Completion; and
4. Retains a legal residence within the boundaries of the district through which the post-graduate scholar satisfied the requirements for a high school diploma or a modified diploma.

The district establishes the following additional requirements:

1. A minimum high school GPA of 2.00;
2. An 80 percent attendance high school; and
3. Regular in-person meetings with district staff to monitor progress held at least twice each month.

### **Program Goals**

The goals of the program include:

1. Increasing the high school graduation rate for underserved students to 80 percent; and.
2. Increasing the percent of students from the district attending a post-secondary education institute.

The district will monitor program information at the end of each grading term and measure results at the end of each year.

The district approves courses of study for the program that may be applied to a degree or certification.

### **Other District Requirements**

The district will entered into a written agreement with the community college that has a service area within which the district is located.

The district will provide dedicated staff to provide support services to post-graduate scholars, including regular in-person meetings to monitor student progress that occur at least twice each month.

The district will ensure that a majority of the students from the district who are enrolled in courses at a community college meet at least one of the following criteria:

1. Is not a post-graduate scholar;
2. Has received an extended diploma or a General Educational Development (GED) certificate;
3. Was enrolled in an alternative high school program within the preceding 12 months;
4. Is, or will be, a first-generational graduate of high schools;
5. Is, or has been, a child in a foster home;
6. Is, or has been, placed in a facility or an education program by a court;
7. Is homeless;
8. Is a parent;
9. Was identified as eligible for free or reduced price lunches within the preceding 12 months; or
10. Will complete the “College Success” course.

A district may receive or expend moneys distributed from the State School fund for post-graduate scholars who enroll in courses at a community college, only if the post-graduate scholars are enrolled in the courses as part of a program established under this section. The post-graduate scholar will not be required to accept or use any federal grant moneys to offset costs of tuition, fees or books incurred by the post-graduate scholar at the community college.

The district will provide transportation service in existing bus routes to post-graduate scholars, and is not required to alter existing bus routes to provide such transportation.
