## Student Transportation Services

School transportation services will be provided for students to and from school. These services shall be provided throughout the regularly scheduled year and during the regular school day as determined by the Board.

Elementary students, grades K-8, who live more than one mile from school will be transported. Secondary students, grades 9-12, who live more than one and one-half miles from school will be transported. Mileage exceptions for health, safety or disability will be made in accordance with the district's approved supplemental plan.

Miles from school will be determined by the transportation supervisor in accordance with OAR 581-023-0040 (1)(c).

Transportation may be provided for resident students who have received approval to attend an out-of-district or out-of-attendance-area school.

Students attending any private, parochial or charter school under the compulsory school attendance laws will, where the private, parochial or public charter school is along or near the bus route, be provided equally the riding privileges given to public school students.

A seat that fully supports each person and meets the minimum standards and specifications of law will be provided at all times. A person who weighs 40 pounds or less must be properly secured with a child safety system that meets the minimum standards and specifications established by the Department of Transportation under ORS 815.055. A person who weighs more than 40, who is four feet nine inches or shorter and under eight years of age must be properly secured with a child safety system that elevates the person so that a safety belt or safety harness properly fits the person. A person who is taller than four feet nine inches or eight years of age or older must be properly secured with a safety belt or harness that meets the requirements under ORS 815.055. In accordance with ORS 811.210 and 811.215 vehicles in excess of 10,000 pounds used for student transportation are exempt from statutory requirements unless they have been equipped with lap belts. Vehicles in excess of 10,000 pounds that have been equipped with lap belts must meet child car seat requirements as set forth in law.

School buses carrying students will be considered extensions of the school experience. All students using school transportation will abide by the code of conduct posted in each school bus. Violations of such code, as well as other conduct which is improper or which jeopardizes the safety of self or others, will be reported by the school bus or vehicle driver to the supervisor. The transportation supervisor will, as soon as possible, inform the appropriate building principal of such occurrence. Violators may be denied use of transportation for a period of time as deemed proper by the building principal or transportation supervisor.

The building principal or designee shall ensure transportation officials and drivers receive notification of students having special medical or behavioral protocols identified in student records.

Information and/or training, including confidentiality requirements, will be provided to drivers, as appropriate.

The school bus or vehicle driver will be responsible for the school bus or vehicle at all times from departure until return. The driver will not participate in any activities that might impair his/her driving abilities.

The district will comply with all state and federal laws and regulations pertaining to school bus transportation.
