## Promotion and Retention of Students\*\*

The Board is dedicated to total and continuous development of each student enrolled. The professional staff is expected to place students at the grade level best suited to them academically, socially and emotionally.

Students will normally progress annually from grade to grade. Exceptions may be made when, in the judgment of the professional staff, such exceptions are in the best educational interest of the students involved. Exceptions will always be made after prior notification and explanation to the student's parents, but the final decision regarding retention will rest with the superintendent. For exceptions to promotions, the parent's decision will be final, but when the parent's decision is not in agreement with the school's recommendation the parents will sign a notice that states the differing recommendations and will be placed in the student's file.
