Student Involvement in Decision Making

The Board recognizes the value of student participation in decision-making.

All students will be encouraged to attend open school Board meetings and to participate in discussions as per Board policy. The student council is encouraged to appoint a student representative to attend regular Board meetings.

In developing rules, regulations and arrangements for district operation, the superintendent will include at the planning stage, whenever feasible and appropriate, a representative of those students who will be affected by such provisions.

The superintendent will establish procedures through which students can readily communicate their ideas and opinions regarding the operation of the schools.
