Extramural Financial Support for Individual Students

Individual students who are interested in receiving financial support for worthwhile educational experiences will be considered by the Board only after submitting the following documents to the superintendent/principal for his/her approval before they are submitted to the Board:

1. A clearly written description of the program for which money is being requested;
2. A statement of the educational benefits the student will receive from the program;
3. A plan that describes how the knowledge and/or skills learned will be shared with other students at the district schools;
4. Letters of support from three people including at least one current teacher;
5. The maximum amount awarded for any single request will be \$1,000.

The superintendent/principal will also review disciplinary files and current academic standing (must be currently on the district honor roll) of all students requesting special funding for an educational program or experience before making his/her recommendation to the Board for funding any of these requests.
