

Development of Administrative Regulations

The Board delegates to the superintendent the function of specifying required actions and designing detailed arrangements to operate the district in accordance with Board policy. These detailed arrangements constitute the administrative regulations governing the district.

The superintendent will carefully weigh the counsel given by representatives of staff, student and community organizations regarding those administrative regulations. He/she will inform the Board of such counsel in presenting regulations.

The Board will adopt administrative regulations when state or federal laws requires the Board to do so. It may also adopt administrative regulations when the superintendent recommends Board action.

The Board reserves the right to review all administrative regulations and procedures, but it will revise them only when, in the Board's judgment, they are inconsistent with policies and regulations set by the Board.
