Emergency Closures**

In case of snow, earthquakes, fog, ice or other hazardous or emergency conditions, the superintendent may alter school and transportation schedules as are appropriate to the particular condition. Such alterations may include closure of all schools, closure of selected schools or grade levels, delayed openings of schools and early dismissal of students.

The superintendent will develop and maintain such plans and procedures as are necessary to carry out alternate school and transportation schedules.

At the beginning of each school year students, parents and staff will be informed of the procedures that will be used to notify them in case of an emergency closure.
