## Management of Buildings and Grounds

The superintendent will develop and maintain plans and procedures necessary to assure the security of district properties and to provide for a continuing program of preventive maintenance designed to ensure that buildings are clean, safe and efficiently operated. The superintendent or designee, subject to the direction of the superintendent or designee, will have overall responsibility for the maintenance and security of the district's buildings and grounds, and supervision of school custodians.

The superintendent will keep the Board informed about district properties and will make other such reports as the Board requests.
