## Homebound Instruction

Instruction will be provided to any student whose health or impairment will, as substantiated by a physician's statement, cause him/her to be absent from school and who can benefit educationally from such instruction.

It shall be the responsibility of the director of special education to develop and implement procedures to provide alternative educational services to students temporarily disabled or for other medical reasons unable to attend school.

The amount of instructional service provided will be related to each student's educational needs and physical and mental health.
