Student Fund-Raising Activities

Fund-raising guidelines will be established by the superintendent or his/her designee.

Fund-raising projects involving the sale of products must be approved by the principal before the activity is initiated. Solicitation of cash donations is expressly prohibited without the superintendent's approval.

If fund raising consists of selling food and beverage items to students during the regular or extended school day, the food and beverage items must comply with state and federal nutrition standards, rules and laws. This does not apply to food and beverage items sold at school-related or nonschool-related events for which parents and other adults are a significant part of the audience.
