## Graduation Exercises

Because the Board believes that completion of the requirements for a diploma from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly-celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by the administration on the date selected by the Board.

All students in good standing who have successfully completed the requirements for a senior high school diploma, a modified diploma, extended diploma or alternate certificate may participate in graduation exercises. The minimum units of credit required for alternative diplomas will be determined by the district. Appeals to this policy must be submitted to the school principal in writing and will be considered only in emergency situations.
