Alcohol

The district prohibits the sale or distribution, use and/or possession of alcoholic beverages by students using district facilities to include all buildings, grounds and vehicles for which the district has jurisdiction. This policy will be in effect 24 hours per day and is meant to include all school activities whether on district property or not. Possession of alcoholic beverages, as it applies to students, shall be defined as the acceptance or consumption of a container of alcoholic beverage, or any portion thereof or a drink of such beverage. This means a student may not consume alcoholic beverages at home or otherwise while under a parent or guardian's jurisdiction and then return to district property or district activities while a detectable level of said alcoholic beverage remains in the student's body.

Violation of this policy may result in immediate suspension with a possible recommendation for expulsion from school for at least the remainder of the current semester. An attempt will be made to notify parents or guardians and the student may be referred to the proper law enforcement agencies.

If possession or use occurred near or on school grounds, disciplinary action may include removal from any or all extracurricular activities and/or forfeiture of any school honors or privileges (e.g., valedictorian, salutatorian, student body, class or club office positions, senior trip, prom, graduation ceremonies and activities, etc.).

District administrators acting on reasonable suspicion may request that students participate in a Breathalyzer screening for alcohol at school or prior to or during a school-sponsored event. If a student refuses, he/she may be subject to school discipline and/or referral to law enforcement officials.
