## **Student Skateboard/Rollerblade/Scooter Use\*\***

Due to the inherent dangers both to participant and nonparticipant, combined with the potential liability assumption, the use of skateboards/rollerblades/scooters or similar devices on district grounds is not allowed. However, if students do use skateboards as a means of transportation to school, they will be allowed to store their skateboard in one of the skateboard racks that are in place at the district schools. As previously mentioned, students will not be allowed to use skateboards while on school grounds and will dismount and carry their skateboard to the skateboard rack for proper storage. If participants use skateboards/rollerblades/scooters on school grounds, they will be confiscated by school authorities and placed in the principal's office for parents to retrieve.
