## Student Vehicle Use

All students who drive cars to school are subject to parking and driving rules developed by the principal.

The district may require all students parking vehicles on district property on a regular basis to show evidence:

1. That the student driving the vehicle holds a valid driver's license;
2. That the vehicle is currently registered;
3. That the student driving is insured under a motor vehicle liability insurance policy or other satisfactory proof of compliance with the financial responsibility requirements of the state;
4. That the vehicle is in compliance with district rules for displaying the appropriate sticker.

Parking privileges will be subject to the specific requirements of this policy and any other applicable policy and/or rules of the district.

The district will post appropriate parking signs.

### Suspension of Student's Driving Privileges

The superintendent may contact the Oregon Department of Transportation (ODOT) requesting that they suspend or deny a student's driving privileges on the basis of conduct. The superintendent or designee may also notify ODOT of the withdrawal from school of a student who is at least 15 years of age and under 18 years of age.

The superintendent or designee will establish administrative regulations to implement this policy.
