

Public Solicitation in District Facilities

Fund raising by nonschool agencies or for nonschool activities during school hours will not be permitted without prior approval of the superintendent or designee.

Demonstrations of services or materials and canvassing of students or employee for the purpose of selling products or services shall not be permitted in either the district's or school grounds, unless authorized by the superintendent or designee.

No non-district-sponsored organization or individual may solicit funds or sell tickets within the district without first securing permission through the superintendent and/or principal.

Whenever possible, solicitation should occur during nonclassroom time.

The solicitation and sale of travel services to students may be permitted with approval of the Board on district property at activities under the jurisdiction of the district and at interscholastic activities administered by a voluntary organization approved by the State Board of Education (i.e., Oregon School Activities Association).

This includes sale of services to students by any person or group that sells, provides, furnishes, contracts for, arranges or advertises travel services.

Sellers of travel services must meet the following district criteria:

1. Belong to an association of sellers of travel certified by the director of the Department of Consumer and Business Services;
2. Provide proof of errors and omissions insurance;
3. Provide proof of a client trust account or performance bond;
4. Submit references;
5. Include in all information provided to students and parents that drug, alcohol and tobacco use will be prohibited;
6. Include in all information provided to students and parents a statement that the activity is a non-school-sponsored event;
7. Other factors the Board deems appropriate.

The administration and distribution of surveys, questionnaires and requests for information by non-school-connected organizations are disallowed. Exceptions may be approved by the superintendent or designee.

The district will not participate in any fundraising drive which is not consistent with Board policy.
