 - (a) Is organized and operated to regularly and continuously publish, broadcast, transmit via the Internet or otherwise disseminate news to the public, and that regularly reports on activities of the district or matters of the nature under consideration by the district; and
 - (b) Is determined by the district to be a business entity that is institutionalized² and that is committed to, and is structured to support, the terms of ORS 192.660(4).³ In making this determination, the district may consider and weigh any factors that it deems to be relevant, including, without limitation, the existence of any of the following factors:

²For the purposes of this regulation, “institutionalized” means long-established or well-established.

³ORS 192.660(4). Representatives of the news media shall be allowed to attend executive sessions other than those held under Subsection (2)(d) of this section relating to labor negotiations or executive session held pursuant to ORS 332.061(2) but the governing body may require that specified information be undisclosed.

(iii) The entity has an available process for correcting errors, including violations of executive session statutes, by a person with authority to take corrective measures.

b. It shall be the entity's burden to persuade the district by substantial evidence that it should be recognized as a news media organization meeting the criteria in Section 1.a. of this regulation. Such evidence must be submitted five working days in advance of the next regularly scheduled Board meeting prior to the first executive session that the entity desires to attend. The Board shall make a determination at the next regularly scheduled Board meeting of receiving the evidence submitted by the entity. The Board may elect to forgo this procedure in cases where the Board, in its sole discretion, determines that it can immediately recognize that an entity qualifies under this procedure, or in cases where the Board, in its sole discretion, determines that other good cause exists for making an expedited determination. A determination that the entity is not recognized shall be based upon written findings addressing the criteria in Section 1.a.
