Administrative Regulations

Administrative regulations are detailed directions governing the operation of the schools.

The superintendent is authorized to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the district.

When approved by the superintendent, administrative regulations shall be included in the Board policy manual.

The Board may review any administrative regulation and may direct its revision if, in the Board's judgment, such regulation is not consistent with adopted policies.

The *Klamath County School District Student Rights and Responsibilities* handbook contains Board policies as well as administrative regulations developed to ensure the safe and orderly operation of the district's schools and support services. These policies and procedures specify students rights and responsibilities as well as consequences for noncompliance while attending school or school related activities including district-approved transportation to and from school or school related activities.
