Employee Identification Badge System

The district is committed to provide a safe and healthy environment for students and staff in which to learn and work. To help ensure the protection of staff and students and reduce the possibility of theft, vandalism and loss of district property, all district employees shall be issued and wear identification badges when on district property.

The district's photo identification badge system will serve as an instant identification system for security purposes and will assist parents and other visitors to school locations in identifying school employees. Employees will display the identification badge at all times in the performance of their duties on district property.

A badge system, with appropriate designation but without photograph, shall be used for visitors to schools during regular school hours and for substitutes and/or temporary employees.

The superintendent is directed to develop administrative regulations as necessary to implement this policy.
