Child Nutrition - Second Meals

The district will continue serving portions of meals as seconds to students upon request at no charge from the garden cart (salad bar). Students who desire an entire second meal at the time of initial service will be assessed the full price of the second meal, and must have sufficient funds in their meal account to cover the cost of that meal. The student's second meal will not be claimed for federal reimbursement.

If there are extra entrees available after all students have gone through the serving line, then students would be welcome to request a second entrée based upon availability. In these circumstances, the second entrée which is an excess leftover would be at no cost to the student.
