Field Trips and Excursions

The district recognizes the value of special activities in the total curriculum and agrees that students profit from carefully planned learning experiences.

Field trips and other student activities involving travel may be authorized by the superintendent or delegated representative when such trips or activities contribute to the achievement of desirable educational goals. In planning and authorizing such trips, primary consideration will be given to educational values derived and the safety and welfare of the students involved.

All out-of-district travel (except regularly scheduled interschool activities) must be approved by the superintendent or designee. The Board will be informed prior to all out of state trips.
