

### **Pass/Fail Policy**

The mark of “P” shall be the equivalent of the letter grade “C” or better. In general, this means a passing score greater than 70%. Courses graded on the Pass/Fail system shall award the mark of “F” if a student does not achieve the equivalent score for the letter grade of “C” or better.

Other than the exceptions listed below, required credits for graduation in English, math, science, social studies, health, physical education, and arts/languages/CTE shall be given a letter grade and are not eligible for the mark of “P”.

Students must complete and return the Pass/Fail Request form to their counselor prior to four weeks from the end of the semester.

**Exceptions:**

Core classes transcribed by other accredited institutions and scored with the mark of “P” shall be transcribed in the same way.

Core credit awarded through “credit by proficiency” and through mastery of the “essential skills” shall be awarded the mark of “P” or “CE” unless the awarding panel determines otherwise.
