Buildings and Grounds Maintenance

The superintendent and director of business services will develop and execute a continuing program of maintenance for all district-owned buildings and grounds. This program will be administered in such a manner as to preserve the district's capital investment and to prevent deterioration due to lack of proper care. The program will include:

1. Planning for buildings and grounds improvements and additions as approved by the Board;
2. An adequate custodial program for all schools;
3. Improvement and maintenance of school grounds and fields;
4. Repairs and painting;
5. Determination and disposal of obsolete equipment.

Teachers shall be responsible for the safe use of buildings, grounds and equipment in the classrooms and other areas in which they teach. Teachers shall report promptly to the principal any defects in building, furniture, playground apparatus or other equipment that may prove injurious to the comfort, health or safety of students.
