APPEAL PROCEDURE

If a student or parent wishes to appeal the application of the discipline policy, the steps outlined below should be used. If the student or parent wishes to complain about a school employee's decision, they may use the district's complaint policy.

- STEP 1 The student or his/her representative will discuss the issue with the transportation supervisor and principal.

- STEP 2 If the student is not satisfied with the outcome of the discussion, he/she may file a written statement with the principal and transportation supervisor. This is to be done within 10 school days of the act or condition which is the basis of the complaint. The administration will, within three school days, arrange a student, parent, transportation supervisor, principal conference with the goal of resolving the issue.

- STEP 3 Within five school days, the principal is to communicate, in writing, the decision to the student and the student's parents.

- STEP 4 If, after five school days from receipt of the administrator's reply, the issue still remains unresolved, the student may submit the matter in writing to the superintendent. The superintendent will meet with the student within three school days and will respond to the issue, in writing, within five school days after the appeal.

- STEP 5 If the issue is still unresolved, the student may appeal to the Board. The Board will notify persons involved that a hearing will be held within 14 days of receipt of the appeal. The Board shall review correspondence, hear relevant facts and respond to the student within three school days following the hearing.

Please return this signed form to the driver on or before the second day of school.

4. Suspension Procedures

- a. Normally the suspension process shall be in accordance with the following procedures:
- (1) Suspension hearings shall be conducted in private, and will be more informal than is the case of an expulsion hearing. The hearing will be conducted by the superintendent or designated representative. The procedure should be more of a conversation between the two parties than a formal hearing;
 - (2) The student will be informed of the violation(s) and given the opportunity to be heard and present his/her view of the occurrence;
 - (3) If suspension is to follow, the student will be given the reason(s) for the action, the duration of the suspension and the tentative procedures for reinstatement;
 - (4) If possible, parents will be notified immediately by telephone of the suspension and given reasons for the action. The parents will be encouraged to conference with the building administrator. Arrangement should be made for the student's transportation to and from school;
 - (5) A written communication will be mailed to the student and parents, within one workday, restating the reasons for the action(s), the duration of the suspension and procedure for arranging a mutually satisfactory time for a conference for possible readmittance;
 - (6) The written communication shall state that the parent may appeal the reason for suspension and the duration of suspension to the appropriate administrator;
 - (7) In special or emergency circumstances, a suspension may be continued until some specific pending action occurs, such as a physical or mental examination, incarceration by court action or if there is a serious risk that substantial harm will occur if the suspension is terminated pending an intended expulsion.

5. Expulsion Procedures

- a. Students will not be expelled without a hearing unless the student's parents waive the right to a hearing, either in writing or by failure to appear at a scheduled hearing. By waiving the right to a hearing, the student and parent agree to abide by the findings of a hearings officer.

When an expulsion hearing is not waived, the following procedure is required:

- (1) Notice will be given to the student and the parent by personal service or by certified mail at least five school days prior to the scheduled hearing. Notice will include: (a) the specific charge or charges; (b) the conduct constituting the alleged violation, including the nature of the evidence of the violation; (c) a recommendation for expulsion; (d) the student's right to a hearing; (e) when and where the hearing will take place; and (f) the right to representation;
- (2) The superintendent or designee will act as hearings officer. The district may contract with an individual who is not employed by the district to serve as the hearings officer. The hearings officer will conduct the hearing and will not be associated with the initial actions of the building administrators;
- (3) In case the parent or student has difficulty understanding the English language or has other serious communication disabilities, the district will provide a translator;
- (4) They will be permitted to have a representative present at the hearing to advise and to present arguments. The representative may be an attorney and/or parent. The school district's attorney may be present;
- (5) The student will be afforded the right to present his/her version of the charge(s) and to introduce evidence by testimony, writings or other exhibits;
- (6) The student will be permitted to be present and to hear the evidence presented by the district;
- (7) The hearings officer will determine the facts of each case on the evidence presented at the hearing. Evidence may include the relevant past history and student education records. Findings of fact as to whether the student has committed the alleged conduct will be submitted to the Board, along with the officer's decision on disciplinary action, if any, including the duration of any expulsion. This decision will be available in identical form to the Board, the student and the student's parents at the same time;
- (8) The hearings officer or the student may make a record of the hearing;
- (9) The hearings officer's decision is final. However, this decision may be appealed to the Board. At its next regular meeting, the Board will review the hearings officer's decision and will affirm, modify or reverse the decision. Parents or students who wish to appeal the hearings officer's decision will have the opportunity to be heard at the time the Board reviews the decision;
- (10) Expulsion hearings will be conducted in private and Board review of the hearings officer's decision will be conducted in executive session unless the student or the student's parent requests a public hearing. If an executive session is held by the Board or a private hearing by the hearings officer, the following will not be made public:
 - (a) The name of the minor student;
 - (b) The issues involved;
 - (c) The discussion;
 - (d) The vote of Board members, which may be taken in executive session.

6. Right of Appeal

- a. At each step of the discipline procedures used in district-approved transportation services, parents, students and/or a representative have a right to appeal.
- b. All appeals must be in writing.
- c. Appeals are to be made to the responsible person at the level of appeal.
- d. Final appeal may be made to the Board.
- e. Board decisions are final.

7. Reinstatement

- a. A conference to discuss reinstatement shall be conducted under the following guidelines:
 - (1) When deemed necessary, parent(s) and student shall be present at the conference;
 - (2) The principal shall fully explain matters and permit the parties involved to fully explain their positions;
 - (3) The principal shall make a decision which provides guidelines for the student to follow when transportation services are reinstated.

8. Education

- a. Disciplinary action for violating the transportation code of conduct and/or transportation health and safety requirements shall be confined to district-approved transportation services.

Therefore, students who have lost district-approved transportation services through a disciplinary action shall be expected to continue with the district's educational requirements.

- b. Students' academic grades will reflect academic achievement. Therefore, misconduct or absenteeism shall not be a sole criterion for grade reduction.

However, students will be expected to continue to meet the district's attendance and educational requirements.

- c. Make-up work may be provided:

(1) If make-up work is needed, the district's policy and procedures will be followed.
