Board-Superintendent Relationship

The Board believes that the legislation of policies is its most important function, and that the execution of the policies should be the function of the superintendent. Delegation by the Board of its executive powers to the superintendent provides freedom for the superintendent to manage the schools within the Board's policies, and frees the Board to devote its time to policy making and appraisal functions. The Board holds the superintendent responsible for carrying out its policies within established guidelines and for keeping the Board informed about school operations.
